Disclaimer

The **Aid for Trade™ Integrated Climate-Smart Agricultural Investment Facility Funding Application Form** is intended solely to facilitate the assessment of investment proposals submitted by eligible applicants.

Submission of this application **does not constitute**:

- approval of funding;
- an offer of finance;
- a financing commitment;
- a term sheet;
- a loan agreement;
- a grant approval;
- an investment guarantee;
- an insurance approval; or
- any legally binding commitment by Schweizer Agriculture Limited, Kachi Agri Micro Finance, participating financial institutions or any programme partner.

All applications shall undergo comprehensive technical, financial, environmental, commercial, governance, legal and investment due diligence before any funding decision is made.

Applicants may be requested to provide additional information, undertake project verification visits, participate in Technical Working Group (TWG) evaluations and satisfy all applicable financing, environmental and regulatory requirements.

Only applicants who successfully satisfy the investment appraisal process shall proceed to issuance of an Indicative Term Sheet, Letter of Offer, Facility Agreement or other financing instruments, where applicable.

Submission of false, misleading or incomplete information may result in immediate rejection of the application.
